Smart Sand, Inc. Announces Timing of Fourth Quarter and Full Year 2018 Earnings Release and Investor Conference Call

THE WOODLANDS, Texas, Feb. 22, 2019 (GLOBE NEWSWIRE) — Smart Sand, Inc. (NASDAQ: SND) (the "Company") announced today that it will release its fourth quarter and full year 2018 financial results before the market opens on Thursday, March 14, 2018. Following the release, the Company will hold a conference call for investors on Thursday, March 14, 2018 at 10:00 a.m. Eastern Time to discuss the results. Chuck Young, the Company's chief executive officer, and Lee Beckelman, the Company's chief financial officer, will host the call.

Investors are invited to listen to a live webcast of the conference call by visiting the "Investors" section of the Company's website at www.smartsand.com. The webcast will be archived for one year following the date of the call. The call can also be accessed live over the telephone by dialing (888) 799-5165 or for international callers, (478) 219-0056. The conference ID for the call is 3448537. A replay will be available shortly after the call and can be accessed by dialing (855) 859-2056 or for international callers, (404) 537-3406. The conference ID for the replay is 3448537. The replay will be available through April 13, 2019.

About Smart Sand:

Smart Sand is a fully integrated frac sand supply and services company, offering complete mine to wellsite solutions. We produce low-cost, high quality Northern White raw frac sand and offer proppant logistics solutions to our customers through our in-basin transloading terminal and wellsite storage capabilities. We sell our products and services primarily to oil and natural gas exploration and production companies and oilfield service companies. We own and operate a raw frac sand mine and related processing facility near Oakdale, Wisconsin, at which we have approximately 317 million tons of proven recoverable sand reserves and approximately 5.5 million tons of annual nameplate processing capacity. For more information, please visit www.smartsand.com.
