About Aquafil SpA

Since 1965, the Aquafil Group has been a pioneer of the circular economy and a landmark in terms of quality and product innovation for Italy and the globe. We primarily manufacture Nylon 6 fibers and polymers but also Nylon 6.6 and Dryarn. Our flagship product is ECONYL[®] nylon, which revolutionizes the world of synthetic fibers through a closed-loop model.

Today, Aquafil remains a leader in the research of new production systems for sustainable development.
