

Aurora Spine Announces Listing of Shares to OTCQB Exchange

- New Listing to improve shareholder outreach in US -

CARLSBAD, Calif., Feb. 09, 2021 — Aurora Spine Corporation (“Aurora Spine” or the “Company”) (TSXV: ASG) (OTCQB: ASAPF), a designer and manufacturer of innovative medical devices that improve spinal surgery outcomes, today announced that its common shares are now trading on the OTCQB Venture Market (the “OTCQB Venture”), a US trading platform that is operated by the OTC Markets Group in New York. The Company will trade on the OTCQB Venture under symbol “ASAPF” (links to <http://www.otcm Markets.com/stock/ASAPF/quote>); the Company’s common shares will continue to trade on the TSX Venture Exchange under the symbol “ASG”.

Aurora Spine trades on the OTCQB® Venture Market for early-stage and developing U.S. and international companies. Companies are current in their reporting and undergo an annual verification and management certification process. Investors can find Real-Time quotes and market information for the company on www.otcm Markets.com.

“We are pleased to list Aurora Spine shares on the OTCQB Venture Market,” said Trent J. Northcutt, President and CEO of Aurora Spine. “This move will allow Aurora Spine to improve its status as a publicly traded company by now enabling US-based investors to seamlessly get involved in Aurora. We believe this new listing will also assist us in our investor awareness program in the US, which we embarked on during 2020 and add credibility and transparency among our customers, physicians and patients that use Aurora Spine products.”

Mr. Northcutt added, “This listing is very timely for Aurora Spine as we embark on continued growth by focusing on developing and selling more proprietary products. We have several new product launches slated in 2021 and look forward to sharing those announcements with investors as they evolve.”

About Aurora Spine

Aurora Spine is focused on bringing new solutions to the spinal implant and pain management markets through a series of innovative, minimally invasive, regenerative spinal implant technologies. Additional information can be accessed at www.aurora-spine.com or www.aurorapaincare.com.
