

Aurora Spine Corporation to Participate in the Lytham Partners Fall 2022 Investor Conference

CARLSBAD, Calif., Sept. 20, 2022 — Aurora Spine Corporation (“Aurora Spine” or the “Company”) (TSXV: ASG) (OTCQB: ASAPF), a designer and manufacturer of innovative medical devices that improve spinal surgery outcomes, today announced that it will be participating in the Lytham Partners Fall 2022 Investor Conference, taking place virtually on September 28-29, 2022. During the event, the company will be participating in a webcasted presentation discussion and conducting 1×1 virtual investor meetings.

The Company’s webcast presentation will be a **Panel Discussion** hosted by Trent Northcutt, President and CEO and Krissy Ramey, National Director of Clinical Education of Aurora Spine. The discussion is titled: Simplifying the Complex – A Panel Discussion with Doctors that use Aurora Products, and will be available for viewing at 9:00am ET on Wednesday, September 28, 2022, at <https://wsw.com/webcast/lytham6/asg.v/2112539> or on the Company’s website. The webcast will also be archived and available for replay.

Management will be participating in virtual one-on-one meetings throughout the event. To arrange a meeting with management, please contact Lytham Partners at 1x1@lythampartners.com or register at www.lythampartners.com/fall2022invreg.

About Aurora Spine

Aurora Spine is focused on bringing new solutions to the spinal implant market through a series of innovative, minimally invasive, regenerative spinal implant technologies. Additional information can be accessed at www.aurora-spine.com or www.aurorapaincare.com.

Forward-Looking Statements

This news release contains forward-looking information that involves substantial known and unknown risks and uncertainties, most of which are beyond the control of Aurora Spine, including, without limitation, those listed under “Risk Factors” and “Cautionary Statement Regarding Forward-Looking Information” in Aurora Spine’s final prospectus (collectively, “forward-looking information”). Forward-looking information in this news release includes information concerning the proposed use and success of the company’s products in surgical procedures. Aurora Spine cautions investors of Aurora Spine’s securities about important factors that could cause Aurora Spine’s actual results to differ materially from those projected in any forward-looking statements included in this news release. Any statements that express, or involve discussions as to, expectations, beliefs, plans, objectives, assumptions or

future events or performance are not historical facts and may be forward-looking and may involve estimates, assumptions and uncertainties which could cause actual results or outcomes to differ unilaterally from those expressed in such forward-looking statements. No assurance can be given that the expectations set out herein will prove to be correct and, accordingly, prospective investors should not place undue reliance on these forward-looking statements. These statements speak only as of the date of this press release and Aurora Spine does not assume any obligation to update or revise them to reflect new events or circumstances.
