

## **Aytu BioPharma Ranked as One of Fastest-Growing Companies in North America on the 2024 Deloitte Technology Fast 500™**

**DENVER, CO / November 22, 2024** / Aytu BioPharma, Inc. (the “Company” or “Aytu”) (Nasdaq:AYTU), a pharmaceutical company focused on commercializing novel therapeutics, today announced it ranked 380<sup>th</sup> on the Deloitte Technology Fast 500™, a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies in North America, now in its 30th year.

“We are honored to be recognized for the fourth consecutive year as a member of the Deloitte Technology Fast 500 list of the most rapidly growing companies,” commented Josh Disbrow, Chief Executive Officer of Aytu BioPharma. “During fiscal 2024, we continued to successfully reposition Aytu as a growing specialty pharmaceutical company focused on commercializing novel prescription therapeutics. Beyond our growth the past few years, our renewed focus on driving growth of our higher-margin Rx Segment, coupled with the successful implementation of a number of operational improvements, resulted in consolidated adjusted EBITDA of \$9.2 million in fiscal 2024 compared to \$3.5 million in fiscal 2023, an improvement of 162%. We remain focused on driving prescription demand, improving coverage and patient access across our entire portfolio, and fully expect to see Rx Segment net revenue and adjusted EBITDA growth from fiscal 2024 levels for the full year of fiscal 2025.”

“Innovation, transformation and disruption of the status quo are at the forefront for this year’s Technology Fast 500 list, and there’s no better way to celebrate 30 years of program history,” said Christie Simons, partner, Deloitte & Touche LLP and industry leader for technology, media and telecommunications within Deloitte’s Audit & Assurance practice. “This year’s winning companies have demonstrated a continuous commitment to growth and remarkable consistency in driving forward progress. We extend our congratulations to all of this year’s winners – it’s an incredible time for innovation.”

## **About the 2024 Deloitte Technology Fast 500**

Now in its 30th year, the Deloitte Technology Fast 500 provides a ranking of the fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies – both public and private – in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2020 to 2023.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company's operating revenues. Companies must have base-year operating revenues of at least US\$50,000, and current-year operating revenues of at least US\$5 million. Additionally, companies must be in business for a minimum of four years and be headquartered within North America.
