

Aytu BioPharma to Present at the Emerging Growth Conference on April 4, 2024

Webcasted presentation to take place at 4:40 p.m. Eastern time

DENVER, CO / April 3, 2024 / Aytu BioPharma, Inc. (the “Company” or “Aytu”) (NASDAQ:AYTU), a pharmaceutical company focused on commercializing novel therapeutics, today announced that its CEO, Josh Disbrow, will be participating in the Emerging Growth Conference.

Mr. Disbrow will present on Thursday, April 4, 2024, at 4:40 p.m. Eastern time. A webcast link of the presentation can be found on the investor relations page of the Company’s website or accessed [HERE](#).

During the event, Mr. Disbrow will update participants on Aytu’s commercial progress made since his last presentation to participants at the Emerging Growth Conference in December 2023.

If attendees are not able to join the event live on the day of the conference, an archived webcast will also be made available on www.EmergingGrowth.com and on the Emerging Growth YouTube Channel, <http://www.YouTube.com/EmergingGrowthConference>.

Management will also host one-on-one investor meetings after the conference presentation. To request a virtual one-on-one meeting with the Aytu management team, please contact your respective Emerging Growth Conference representative or email the Company’s investor relations team at aytu@lythampartners.com.

About Aytu BioPharma, Inc.
