Bonterra Energy Corp. Announces Commencement of Trading on OTCQX Best Market

CALGARY, Alberta, Nov. 17, 2026 (GLOBE NEWSWIRE) — Bonterra Energy Corp. (“Bonterra” or the “Company”) (TSX: BNE; OTCQX: BNEFF), a Calgary based oil and gas producer, is pleased to announce that its common shares have commenced trading on the OTCQX® Best Market in the United States under the symbol “BNEFF.”

Bonterra’s common shares will continue to trade on the Toronto Stock Exchange under the symbol “BNE.” Trading on the OTCQX Best Market is expected to enhance Bonterra’s visibility and accessibility among U.S. investors, broaden awareness of the Company within the U.S. investment community and provide convenient access to Bonterra’s financial disclosure and market information through OTC Markets.

“Commencing trading on the OTCQX Best Market is an important step in expanding Bonterra’s presence and visibility within the U.S. investment community,” said Patrick Oliver, President and Chief Executive Officer of Bonterra. “With stable, free cash flow-generating production in the Pembina Cardium and a deep inventory of high-return growth opportunities in the Bonanza Charlie Lake and Wembley Montney, Bonterra offers a compelling investment proposition through exposure to three premier light oil plays at what we believe is an attractive valuation. OTCQX provides an additional platform to introduce that story to a broader audience as we continue to execute our strategy and create long-term value for shareholders.”

The OTCQX Best Market is operated by OTC Markets Group Inc. and provides an established U.S. trading market for qualifying U.S. and international companies. Companies trading on OTCQX must meet applicable financial, corporate governance and disclosure standards.
