

Dyadic to Report Third Quarter 2019 Financial Results on Wednesday November 13, 2019

JUPITER, FL / ACCESSWIRE / October 30, 2019 / Dyadic International, Inc. (“Dyadic”) (NASDAQ:DYAI), a global biotechnology company focused on further improving and applying its proprietary C1 gene expression platform to help accelerate the development, lower production costs and improve the performance of biologic vaccines, drugs, and other biologic products at flexible commercial scales, today announced that it will report its financial results for the quarter ended September 30, 2019 after the market close on Wednesday, November 13, 2019 and it will host a conference call that day at 5:00 p.m. Eastern Time to discuss those results.

Conference Call Information

Date: Wednesday, November 13, 2019

Time: 5:00 p.m. Eastern Time

Dial-in numbers: 877-407-8033 (U.S. or Canada) or + 201-689-8033 (International)

No pass code is needed

Webcast Link: <https://www.investornetwork.com/event/presentation/55677>

An archive of the webcast will be available approximately three hours after completion of the live event and will be accessible on the “Investors” section of the Company’s website at <http://www.dyadic.com> for a limited time. To access the replay of the webcast, please use the webcast link above.

A dial-in replay of the call will also be available to those interested until November 20, 2019. To access the teleconference replay, please dial 877-481-4010 or +919-882-2331 (International). Passcode: 55677.

About Dyadic International

Dyadic International, Inc. is a global biotechnology company which is developing what it believes will be a potentially significant biopharmaceutical gene expression platform based on the fungus *Myceliophthora thermophila*, named C1. The C1 microorganism, which enables the development and large scale manufacture of low-cost proteins, has the potential to be further developed into a safe and efficient expression system that may help speed up the development, lower production costs and improve the performance of biologic vaccines and drugs at flexible commercial scales. Dyadic is using the C1 technology and other technologies to conduct research, development and commercial activities for the

development and manufacturing of human and animal vaccines and drugs (such as virus like particles (VLPs) and antigens), monoclonal antibodies, Fab antibody fragments, Fc-Fusion proteins, biosimilars and/or biobetters, and other therapeutic proteins. Recently, Dyadic has also begun exploring the use of its C1 technology and other technologies to conduct research, development and commercial activities for the development and manufacturing of Adeno-associated viral vectors (AAV), certain metabolites and other biologic products. Dyadic pursues research and development collaborations, licensing arrangements and other commercial opportunities with its partners and collaborators to create synergy by leveraging Dyadic's technologies in development and manufacture of biopharmaceuticals. In particular, as the aging population grows in developed and undeveloped countries, Dyadic believes the C1 technology may help bring biologic vaccines, drugs and other biologic products to market faster, in greater volumes, at lower cost, and with new properties to drug developers and manufacturers, and as a result improve access and cost to patients and the healthcare system, and most importantly, save lives.

Please visit Dyadic's website at <http://www.dyadic.com/> for additional information, including details regarding Dyadic's plans for its biopharmaceutical business.

Safe Harbor Regarding Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, including those regarding Dyadic's expectations, intentions, strategies and beliefs pertaining to future events or future financial performance. Actual events or results may differ materially from those in the forward-looking statements as a result of various important factors, including those described in Dyadic's most recent filings with the SEC. Undue reliance should not be placed on the forward-looking statements in this press release, which are based on information available to us on the date hereof. Dyadic assumes no obligation to update publicly any such forward-looking statements, whether as a result of new information, future events or otherwise. For a more complete description of the risks that could cause our actual results to differ from our current expectations, please see the section entitled "Risk Factors" in Dyadic's annual reports on Form 10-K and quarterly reports on Form 10-Q filed with the SEC, as such factors may be updated from time to time in Dyadic's periodic filings with the SEC, which are accessible on the SEC's website at www.dyadic.com.
