

InfuSystem Holdings, Inc. Selected as an Official Distributor of CADD® Infusion Therapy Products by Smiths Medical

MADISON HEIGHTS, Mich., June 26, 2018 — InfuSystem Holdings, Inc. (NYSE American: INFU) (“InfuSystem” or the “Company”), a leading national provider of infusion pumps and related services for the healthcare industry in the United States and Canada, today announced that Smiths Medical, a leading manufacturer of specialized medical devices and equipment, focused on medication delivery, selected InfuSystem as an official distributor of its CADD® infusion therapy products.

Smiths Medical recently announced a strategic decision to serve their non-hospital-based infusions customers through a new distribution model that simplifies the way providers order, receive and deliver care with CADD infusion therapy products. Smiths Medical CADD infusion systems will be available to non-hospital-based infusion providers through a limited number of distributors; including InfuSystem.

Richard Dilorio, chief executive officer of InfuSystem, said, “Alternate site customers of Smiths Medical, such as home healthcare providers, physician based infusion centers, ambulatory infusion centers and other non-hospital infusion facilities, can now opt for the world-class customer service of InfuSystem for the full line of CADD infusion pumps, service, and supplies. We are pleased to be partnering with Smiths Medical in servicing this important segment.”

CADD Infusion customers should call InfuSystem for a price comparison at (800) 658-5582.
