Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements to be materially different from any future results, performance or achievements anticipated in such statements. Such forward-looking statements include, but are not limited to, statements relating to estimates of future synergies and efficiencies as a result of the NTS acquisition, expectations regarding the Company's ability to effectively integrate assets it acquired as a result of the NTS acquisition, expectations of future plans, priorities, focus and benefits of the NTS acquisition, the Company's ability to realize the intended benefits of the referral arrangement with NewtekOne, Inc. and its status as an accredited partner for the HPE Private Cloud AI solution, the Company's plans, objectives, strategies, expectations, intentions and other statements that are not statements of historical fact, and may be identified by words such as "aim," "anticipates," "believes," "building," "continue," "could," "drive," "estimates," "expects," "extent," "focus," "forecasts," "goal," "guidance," "intends," "may," "might," "outlook," "plan," "position," "probable," "progressing," "projects," "prudent," "seeks," "should," "steady," "target," "view," "will" or "would" or the negative of these words and phrases or similar words or phrases. The following factors, among others, could cause actual results to differ materially from those set forth in the forward-looking statements: the possibility of security vulnerabilities, cyber-attacks and network disruptions, including breaches of data security and privacy leaks, data loss, and business interruptions; the Company's ability to operate its secure private cloud through its data centers; the intense competition in the industry in which the Company operates and its ability to effectively compete with existing competitors and new market entrants; the Company's ability to consummate favorable acquisitions and effectively integrate any companies or businesses that the Company acquires; the impact of adverse economic and market conditions, including those related to fluctuations in inflation and geopolitical conflicts; the Company's reliance on a limited number of customers for its revenues and income; the Company's ability to attract new customers, retain existing customers and sell additional services to customers; the Company's ability to protect its intellectual property rights; and other events outside of the Company's control. More detailed information about the Company and the risk factors that may affect the realization of forward-looking statements is set forth in the Company's filings with the Securities and Exchange Commission ("SEC"), including the Company's most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. Investors and security

holders are urged to read these documents free of charge on the SEC's website at www.sec.gov.

All forward-looking statements speak only as of the date on which they are made. The Company undertakes no obligation to update any forward-looking statement or statements to reflect events or circumstances after the date on which such statement was made, except to the extent required by applicable securities laws.
