

Intelligent Protection Management Corp. to Participate in “Powering the AI Revolution” Virtual Conference Presented by Maxim Group LLC on Tuesday, April 7th at 10:30 a.m. EDT

JERICHO, NY / ACCESS Newswire / April 6, 2026 / Intelligent Protection Management Corp. (“IPM,” “we,” “us,” “our” or the “Company”) (NASDAQ:IPM), a managed technology solutions provider focused on enterprise cybersecurity and cloud infrastructure, announced today that Jason Katz, CEO and Jared Mills, President have been invited to present at the “Powering the AI Revolution- Building the Infrastructure Behind Generative AI” Virtual Conference presented by Maxim Group LLC, on Tuesday, April 7th at 10:30 a.m. EDT.

IPM will be taking part in the “Powering the AI Revolution- Building the Infrastructure Behind Generative AI” Virtual Conference. The explosive growth of generative AI is driving unprecedented demand for physical and digital infrastructure. In this virtual conference, Maxim Group Research Analysts sit down with A.I. company leaders at the forefront of delivering that capacity, from hyperscale data centers and power generation to cooling systems and connectivity. Participants will discuss the evolving landscape of AI infrastructure, including the challenges of land acquisition, capital deployment, construction sequencing, and the race to bring new capacity online to meet surging demand.

This conference will be live on Maxim Digital. To attend, sign up to become a Maxim Digital member.

Forward-Looking Statements

The conference may contain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements to be materially different from any future results, performance or achievements anticipated in such statements. Forward-looking statements may be identified by words such as "aim," "anticipates," "believes," "building," "continue," "could," "drive," "estimates," "expects," "extent," "focus," "forecasts," "goal," "guidance," "intends," "may," "might," "outlook," "plan," "position," "probable," "progressing," "projects," "prudent," "seeks," "should," "steady," "target," "view," "will" or "would" or the negative of these words and phrases or similar words or phrases. Forward-looking statements in this press release may include, but are not limited to, the anticipated benefits of the Company's strategic collaboration with MASORI, including the integration and delivery of MASORI GO to the Company's web hosting customers; the expected ability of the Company's customers to adopt, implement, and realize efficiencies from AI solutions offered through the relationship; the Company's ability to serve as a hosting partner for third-party AI platforms and to deliver such technology to its client base; the Company's ability to serve enterprises while protecting against evolving cyber threats; the Company's expectations regarding its procurement, professional services and subscriptions businesses contributing to the Company's overall results; the Company's potential growth opportunities; the Company's plans, objectives, strategies, expectations, and intentions; and other statements that are not statements of historical fact. The following factors, among others, could cause actual results to differ materially from those set forth in the forward-looking statements: the possibility of security vulnerabilities, cyber-attacks and network disruptions, including breaches of data security and privacy leaks, data loss, and business interruptions; the Company's ability to operate its secure private cloud through its data centers; the intense competition in the industry in which the Company operates and its ability to effectively compete with existing competitors and new market entrants; the Company's ability to consummate favorable acquisitions and effectively integrate any companies or businesses that the Company acquires; the impact of adverse economic and market conditions, including those related to fluctuations in inflation and geopolitical conflicts; the Company's reliance on a limited number of customers for its revenues and income; the Company's ability to attract new customers, retain existing customers and sell additional services to customers; the Company's ability to protect its intellectual property rights; and other events outside of the Company's control. More detailed information about the Company and the risk factors that

may affect the realization of forward-looking statements is set forth in the Company's filings with the Securities and Exchange Commission ("SEC"), including the Company's most recent Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. Investors and security holders are urged to read these documents free of charge on the SEC's website at www.sec.gov.

All forward-looking statements speak only as of the date on which they are made. The Company undertakes no obligation to update any forward-looking statement or statements to reflect events or circumstances after the date on which such statement was made, except to the extent required by applicable securities laws.
