### **Forward-looking Statements**

This press release contains forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by the use of words like “plans”, “expects”, “aims”, “believes”, “projects”, “anticipates”, “intends”, “estimates”, “will”, “should”, “could” and similar expressions in connection with any discussion, expectation, or projection of future operating or financial performance, events or trends. Forward-looking statements are based on management’s current expectations and assumptions, which are inherently subject to uncertainties, risks and changes in circumstances that are difficult to predict, including but not limited to, the fact that our business is highly competitive, we are continually seeking ways to expand our business, we may seek additional financing or other ways to expand operations and improve margins, the uncertainties of the Company’s new product introductions, the risks of increased competition and technological change, customer concentration risk, supply chain delays, governmental and regulatory risks, as well as the other risk factors that are set forth in more detail in our Annual Report on Form 10-K and other documents filed with the SEC. Actual outcomes and results may differ materially from these expectations and assumptions due to changes in global political, economic, business, competitive, market, regulatory and other factors. We may not actually achieve the goals or plans described in our forward-looking statements, and investors should not place undue reliance on these statements. Any forward-looking statements speak only as of the date on which they are made and we undertake no obligation to publicly update or review any forward-looking information, whether as a result of new information, future developments or otherwise, except as required by law.
