

Karen DeHaan-Fullerton Joins Zomedica as General Counsel and Corporate Secretary

ANN ARBOR, MI / June 2, 2022 / Zomedica Corp. (NYSE American:ZOM) (“Zomedica” or “Company”), a veterinary health company offering point-of-care diagnostics and therapeutic products for companion animals, announced that it has appointed Karen DeHaan-Fullerton as its General Counsel and Corporate Secretary. She joined the Zomedica team on May 31, 2022.

Ms. DeHaan-Fullerton joins the company with more than 20 years of corporate legal experience, including advising and leading companies through transformation and acquisition activities.

“Karen is a welcome addition to the Zomedica team, bringing a mix of executive leadership experience and business development knowledge,” said Larry Heaton, Chief Executive Officer of Zomedica. “Her wide-ranging expertise will augment and complement our experienced executive team as we continue to execute our business plan.”

As General Counsel, Ms. DeHaan-Fullerton will have responsibility for all Zomedica legal functions for building strategy across regulatory, risk and compliance functions and helping to drive the company from a legal perspective.

“As a pet owner, I was drawn to Zomedica where the focus on pets, pet owners and the veterinarians who care for them is an important part of what we do every day,” said Ms. DeHaan-Fullerton. “I am excited about joining the team and look forward to contributing to Zomedica’s future.”

Ms. DeHaan-Fullerton earned her law degree *cum laude* from the University of Louisville – Louis D. Brandeis School of Law.

About Zomedica

Based in Ann Arbor, Michigan, Zomedica (NYSE American: ZOM) is a veterinary health company creating products for companion animals by focusing on the unmet needs of clinical veterinarians. Zomedica’s product portfolio will include innovative diagnostics and medical devices that emphasize patient health and practice health. It is Zomedica’s mission to provide veterinarians the opportunity to increase productivity and grow revenue while better serving the animals in their care. Reader Advisory

Except for statements of historical fact, this news release contains certain “forward-looking information” or “forward-looking statements” (collectively, “forward-looking information”) within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as “plan”, “expect”, “project”, “intend”, “believe”, “anticipate”, “estimate” and other similar words, or statements that certain events or conditions “may” or “will” occur and include statements relating to our expectations regarding future results. Although we believe that the expectations reflected in the forward-looking information are reasonable, there can be no assurance that such expectations will prove to be correct. We cannot guarantee future results, performance or achievements. Consequently, there is no representation that the actual results achieved will be the same, in whole or in part, as those set out in the forward-looking information.

Forward-looking information is based on the opinions and estimates of management at the date the statements are made, including assumptions with respect to American economic growth, demand for the Company’s products, the Company’s ability to produce and sell its products, our ability to successfully integrate and operate the PulseVet business, the sufficiency of our budgeted capital and operating expenditures, the cost, adequacy and availability of supplies required for our operations, the satisfaction by our strategic partners of their obligations under our commercial agreements, our ability to realize upon our business plans and cost control efforts and the impact of COVID-19 on our business, results, and financial condition.

Our forward-looking information is subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to differ materially from those expressed in the forward-looking information include, but are not limited to: uncertainty as to whether our strategies and business plans will yield the expected benefits; uncertainty as to the timing and results of development work and verification and validation studies; uncertainty as to the timing and results of commercialization efforts, as well as the cost of commercialization efforts, including the cost to develop an internal sales force and manage our growth; uncertainty as to our ability to successfully integrate and operate the Pulse Vet business, uncertainty as to our ability to supply equipment and assays in response to customer demand; uncertainty regarding the cost, adequacy and availability of supplies required for our operations; uncertainty as to the likelihood and timing of any required regulatory approvals, and the availability and cost of capital; the ability to identify, develop and/or achieve commercial success for new products

and technologies; veterinary acceptance of our products; competition from related products; the level of expenditures necessary to maintain and improve the quality of products and services; changes in technology and changes in laws and regulations; our ability to secure and maintain strategic relationships; performance by our strategic partners of their obligations under our commercial agreements, including product manufacturing obligations; risks pertaining to permits and licensing, intellectual property infringement risks, risks relating to any required clinical trials and regulatory approvals, risks relating to the safety and efficacy of our products, the use of our products, intellectual property protection, risks related to the COVID-19 pandemic and its impact upon our business operations generally, including our ability to develop and commercialize our products, and the other risk factors disclosed in our filings with the SEC and under our profile on SEDAR at www.sedar.com. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

The forward-looking information contained in this news release is expressly qualified by this cautionary statement. We undertake no duty to update any of the forward-looking information to conform such information to actual results or to changes in our expectations except as otherwise required by applicable securities legislation. Readers are cautioned not to place undue reliance on forward-looking information.
