

LiqTech International, Inc. Announces Proposed Public Offering Of Common Stock

BALLERUP, Denmark, May 21, 2019 — LiqTech International, Inc. (NASDAQ: LIQT) (“LiqTech”), a clean technology company that manufactures and markets highly specialized filtration technologies, today announced that it has commenced an underwritten registered public offering of its common stock. In addition, LiqTech intends to grant the underwriters for the offering a 30-day option to purchase up to an additional 15% of the shares of its common stock sold in the offering to cover over-allotments, if any. All shares of common stock to be sold in the proposed offering will be offered by LiqTech. The proposed offering is subject to market and other conditions, and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

LiqTech intends to use the net proceeds from this proposed offering to fund the growth of the business, including adding manufacturing capacity through equipment purchases, funding continued research and development efforts, for general corporate purposes, and the potential insourcing of currently outsourced manufacturing.

Stephens Inc. is acting as lead left book-running manager and Lake Street Capital Markets, LLC is acting as joint book-running manager for the proposed offering.

The proposed offering is being made pursuant to a shelf registration statement on Form S-3 (File No. 333-220496) that was previously filed with the Securities and Exchange Commission (the “SEC”) on September 15, 2017, as amended on October 11, 2017, and that was declared effective on October 23, 2017. A preliminary prospectus supplement and accompanying prospectus related to and describing the terms of the proposed offering have been filed with the SEC and may be obtained by visiting EDGAR on the SEC’s website at www.sec.gov or by contacting Stephens Inc., Attention: Equity Syndicate Prospectus, 111 Center Street, Little Rock, Arkansas 72201 or by email at prospectus@stephens.com or Lake Street Capital Markets, LLC, Attention: Syndicate Dept., 920 Second Avenue South, Suite 700, Minneapolis, MN 55402 or by email at syndicate@lakestreetcm.com. The final terms of the proposed offering will be disclosed in a final prospectus supplement to be filed with the SEC.

This press release shall not constitute an offer to sell, or the solicitation of an offer to buy, nor may there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About LiqTech International, Inc.:

LiqTech International, Inc., a Nevada corporation, is a clean technology company that for more than a decade has developed and provided state-of-the-art technologies for gas and

liquid purification using ceramic silicon carbide filters, particularly highly specialized filters for the control of soot exhaust particles from diesel engines and for liquid filtration. Using nanotechnology, LiqTech develops products using proprietary silicon carbide technology. LiqTech's products are based on unique silicon carbide technology which facilitate new applications and improve existing technologies. LiqTech offers a wide range of filters and membranes for micro- and ultrafiltration, and by incorporating LiqTech's SiC liquid membrane technology with its long-term systems design experience and capabilities, LiqTech offers solutions to the most difficult water pollution problems.

Forward-Looking Statements:

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Although the forward-looking statements in this release reflect the good faith judgment of management, forward-looking statements are inherently subject to known and unknown risks and uncertainties that may cause actual results to be materially different from those discussed in these forward-looking statements. Readers are urged to carefully review and consider the various disclosures made by us in the reports filed with the Securities and Exchange Commission, including the risk factors that attempt to advise interested parties of the risks that may affect our business, financial condition, results of operation and cash flows. If one or more of these risks or uncertainties materialize, or if the underlying assumptions prove incorrect, our actual results may vary materially from those expected or projected. Readers are urged not to place undue reliance on these forward-looking statements, which speak only as of the date of this release. We assume no obligation to update any forward-looking statements in order to reflect any event or circumstance that may arise after the date of this release.
