LiqTech to Participate in the Lytham Partners Fall 2026 Investor Conference

BALLERUP, Denmark, Sept. 17, 2026 (GLOBE NEWSWIRE) — LiqTech International, Inc. (Nasdaq: LIQT), a clean technology company specializing in advanced ceramic filtration solutions, will participate in a webcast presentation and host one-on-one meetings with investors at the Lytham Partners Fall 2026 Investor Conference, taking place virtually on September 29-30, 2026.

Company Webcast

The webcast presentation will take place at 1:15 p.m. ET on Tuesday, September 29, 2026. The webcast can be accessed by visiting the conference website at https://lythampartners.com/fall2026/ or directly at https://app.webinar.net/P0pJVXyR539. The webcast will also be available for replay following the event.

1×1 Meetings

Management will be participating in virtual one-on-one meetings throughout the event. To arrange a meeting with management, please contact Lytham Partners at 1×1@lythampartners.com or register for the event at https://lythampartners.com/fall2026invreg/.

About LiqTech International, Inc.

LiqTech International, Inc. is a clean technology company that manufactures and markets highly specialized filtration products and systems for liquid and gas applications. Founded in 2000, LiqTech’s patented silicon carbide (SiC) technology is designed to address demanding filtration challenges across industrial water, oil & gas, marine, emissions control, and Aquatics, including commercial swimming pool applications.

Through its advanced membrane and filtration technologies, LiqTech helps customers improve water quality, enable water reuse, reduce emissions, and support more efficient and sustainable operations.
