

Mogo Announces Closing of US\$27.5 Million Registered Direct Offering

VANCOUVER, British Columbia –

Mogo Inc. (NASDAQ:MOGO) (TSX:MOGO) ("**Mogo**" or the "**Company**"), a financial technology, digital payments and crypto company, announced today that it has closed its previously announced sale to certain institutional investors of an aggregate of 6,111,112 common shares and warrants to purchase up to an aggregate of 3,055,556 common shares (each whole warrant, a "**Warrant**" and each common share and one-half of one Warrant, a "**Unit**"), at a purchase price of US\$4.50 per Unit, in a registered direct offering (the "**Offering**"). The aggregate gross proceeds to the Company were approximately US\$27.5 million, and after deducting placement agent's fees and expenses of the Offering, the net proceeds from the Offering will be approximately US\$25.3 million.

H.C. Wainwright & Co. acted as the exclusive placement agent for the Offering. Raymond James and BTIG acted as financial advisors to Mogo in connection with the Offering.

Each Warrant issued by Mogo entitles its holder to acquire one common share of the Company (each, a "**Warrant Share**") at an exercise price of US\$4.70 per share, will be exercisable six months following today's date, and has a term of 36 months following the initial exercise date.

The Company intends to use the net proceeds from the Offering for working capital purposes and for potential future acquisitions of or investments in synergistic or strategic businesses, including (but not limited to) the exercise of warrants currently held by Mogo and the acquisition of and/or investments in businesses in the cryptocurrency space.

The common shares, Warrants and the Warrant Shares were offered pursuant to a "shelf" registration statement on Form F-10 (File No. 333-254791) previously filed with the Securities and Exchange Commission (the "**SEC**") on March 26, 2021 and declared effective by the SEC on April 15, 2021. The Offering was made only by means of a prospectus, including a prospectus supplement, forming a part of the effective registration statement. A prospectus supplement to the Company's base shelf prospectus dated April 15, 2021 was also filed with the provincial securities regulatory authority in British Columbia. The Units were offered and sold in the United States only. No securities were offered or sold to Canadian purchasers.

A final prospectus supplement and accompanying prospectus relating to the Offering was filed with the SEC and is available for free on the SEC's website at www.sec.gov and is also available on the Company's profile on the SEDAR website at www.sedar.com.
