About NeurAxis, Inc.

NeurAxis, Inc., is a medical technology company focused on neuromodulation therapies to address chronic and debilitating conditions in children and adults. NeurAxis is dedicated to advancing science and leveraging evidence-based medicine to drive adoption of IB-Stim® , which is its proprietary Percutaneous Electrical Nerve Field Stimulation (PENFS) technology, by the medical, scientific, and patient communities. IB-Stim is FDA cleared for functional abdominal pain associated with irritable bowel syndrome (IBS), functional dyspepsia (FD), and FD-related nausea symptoms in patients 8 years and older. Additional clinical trials of PENFS in multiple pediatric and adult conditions with large unmet healthcare needs are underway.
