

## **Reliq Health Technologies Announces Receipt of Second Hardware Shipment**

VANCOUVER, British Columbia, Sept. 06, 2018 — **Reliq Health Technologies Inc. (TSXV:RHT or OTCQB:RQHTF)** (“**Reliq**” or the “**Company**”), a technology company that develops innovative mobile health (mHealth) and telemedicine solutions for the Community-Based Healthcare market, is pleased to announce that it has received the second shipment of backordered Remote Monitoring devices. The final shipments will be delivered by the end of October.

“We are pleased to announce that we have received another shipment of Remote Monitoring devices,” said Dr. Lisa Crossley, CEO of Reliq Health Technologies, Inc. “Now that we’re through the slower summer months we are gearing up for a very busy Fall season. We continued to onboard new patients over the summer despite the hardware shortage through mid-July, client vacation schedules and the usual summer doldrums. We look forward to ramping up onboarding significantly now that the slow season is behind us.”

Reliq Health Technologies is a healthcare technology company that specializes in developing innovative software solutions for the Community Care market. Reliq’s powerful iUGO Care platform supports care coordination and community-based healthcare. The iUGO Care platform integrates wearables, sensors, voice technology and intuitive mobile apps and desktop user interfaces for patients, clinicians and healthcare administrators. iUGO Care allows complex patients to receive high quality care at home, improving health outcomes, enhancing quality of life for patients and families and reducing the cost of care delivery. iUGO Care provides real-time access to remote patient monitoring data, allowing for timely interventions by the care team to prevent costly hospital readmissions and ER visits. Reliq Health Technologies trades on the TSX Venture under the symbol RHT and on the OTCQB as RQHTF.

ON BEHALF OF THE BOARD
