

## **Reliq Health Technologies Announces Two New Contracts in South and Central Texas**

VANCOUVER, B.C., July 05, 2018 — **Reliq Health Technologies Inc.** (TSXV:RHT) (OTCQB:RQHTF) (“**Reliq**” or the “**Company**”), a technology company that develops innovative mobile health (mHealth) and telemedicine solutions for the Community-Based Healthcare market, is pleased to announce that it has signed contracts with two new home health agencies in South and Central Texas.

“We are pleased to announce that we have signed new contracts with two home healthcare agencies to provide our iUGO Care remote patient monitoring solution to over 1,200 chronic disease patients,” said Dr. Lisa Crossley, CEO of Reliq Health Technologies, Inc. “We are very excited to be expanding our footprint into Central Texas with our first customer in the Austin area. We look forward to continuing to help our customers deliver high quality virtual care to their patients in the home – reducing hospital admissions, improving health outcomes and enhancing patient and family satisfaction with their care.”

Reliq Health Technologies is a healthcare technology company that specializes in developing innovative software solutions for the Community Care market. Reliq’s powerful iUGO Care platform supports care coordination and community-based healthcare. The iUGO Care platform integrates wearables, sensors, voice technology and intuitive mobile apps and desktop user interfaces for patients, clinicians and healthcare administrators. iUGO Care allows complex patients to receive high quality care at home, improving health outcomes, enhancing quality of life for patients and families and reducing the cost of care delivery. iUGO Care provides real-time access to remote patient monitoring data, allowing for timely interventions by the care team to prevent costly hospital readmissions and ER visits. Reliq Health Technologies trades on the TSX Venture under the symbol RHT and on the OTCQB as RQHTF.

ON BEHALF OF THE BOARD

“Dr. Lisa Crossley”

CEO and Director
