

Reliq Health Technologies, Inc. Announces Four New US Contracts, Go-Live with Data Soft Logic

HAMILTON, Ontario, July 19, 2022 — **Reliq Health Technologies Inc. (TSXV:RHT or OTC:RQHTF or WKN:A2AJTB)** (“**Reliq**” or the “**Company**”), a rapidly growing global healthcare technology company that develops innovative Virtual Care solutions for the multi-billion dollar Healthcare market, today announced that it has signed new contracts with four physician practices in California and Texas to add over 5,000 new patients to its platform. The Company is also pleased to announce that it has gone live with the first client through its partnership agreement with Data Soft Logic. Onboarding with Data Soft Logic is expected to ramp up over the remainder of 2022, adding over 50,000 patients per year to Reliq’s iUGO Care platform in 2023 and beyond.

“We are pleased to be adding four new physician practices in California and Texas,” said Dr. Lisa Crossley, CEO at Reliq Health Technologies, Inc. “Together these clients are expected to add over 5,000 patients to our platform in the next nine months at an average revenue of \$50 per patient per month at 75% gross margin. Onboarding with these clients is expected to begin next month.”

“We are also very excited to have gone live with our first client through our partnership with Data Soft Logic. Onboarding has already begun with the client. Data Soft Logic is a provider of cloud-based home health and hospice care solutions that include point of care, billing, scheduling, accounting and human resources applications. Their solutions are currently used by over 600 home health and hospice care agencies across the United States. Data Soft Logic’s home health and hospice clients work with over 1,000 primary care physicians who provide care to over 500,000 Medicare and Medicaid patients. As previously disclosed, the Company expects to add over 50,000 patients per year to the platform beginning in 2023 through the partnership with Data Soft Logic, at an average revenue of \$60 per patient per month (at 75% gross margin). Reliq remains on track to have over 100,000 patients on our iUGO Care platform by December 31, 2022.”

About Data Soft Logic

Data Soft Logic Corporation is a cloud-based home health care and Hospice solution offering a suite of applications including Point of Care, Symptom Management, Billing, Scheduling, Accounting and Human Resources. Data Soft Logic software is powerful and meaningful with simplicity of use for superior connected care at point of delivery. Reliq Health

Reliq Health Technologies is a rapidly growing global healthcare technology company that specializes in developing innovative Virtual Care solutions for the multi-billion dollar

Healthcare market. Reliq's powerful iUGO Care platform supports care coordination and community-based virtual healthcare. iUGO Care allows complex patients to receive high quality care at home, improving health outcomes, enhancing quality of life for patients and families and reducing the cost of care delivery. iUGO Care provides real-time access to remote patient monitoring data, allowing for timely interventions by the care team to prevent costly hospital readmissions and ER visits. Reliq Health Technologies trades on the TSX Venture under the symbol RHT, on the OTC as RQHTF and on the Frankfurt Stock Exchange under the WKN: A2AJTB.

ON BEHALF OF THE BOARD

"Dr. Lisa Crossley"
