

Reliq Health Technologies, Inc. Announces Go Live in Two Clinical Trials, New Contracts in TX and FL

HAMILTON, Ontario, May 19, 2022 — **Reliq Health Technologies Inc. (TSXV:RHT or OTC:RQHTF or WKN:A2AJTB)** (“**Reliq**” or the “**Company**”), a rapidly growing global healthcare technology company that develops innovative Virtual Care solutions for the multi-billion dollar Healthcare market, today announced that its iUGO Care platform will go live in two clinical trials this month involving over 1,000 patients. The Company also announced that it has signed four new contracts with clients in Texas and Florida that are expected to add over 2,000 patients to Reliq’s iUGO Care platform in 2022.

“We are very pleased to be going live in our first clinical trials this month,” said Dr. Lisa Crossley, CEO at Reliq Health Technologies, Inc. “Our Clinical Research Organization (CRO) client will be using Reliq’s iUGO Care platform to monitor patients in two separate clinical trials focused on hypertension and oncology, respectively. Using iUGO Care for clinical trials allows CROs and trial sponsors to monitor trial-specific metrics such as medication adherence, side effects, safety issues and efficacy. These two trials are expected to add at least 1,000 patients to the iUGO Care platform this year and generate average revenue of \$40 per patient per month at a gross margin of 75%. The Company has also signed four new contracts with two physician practices and two home health agencies that are expected to onboard over 2,000 new patients in Texas and Florida to Reliq’s iUGO Care platform in 2022. Onboarding will begin next month and is expected to be completed by the end of the calendar year. The contracts are expected to generate an average revenue of over \$60 per patient per month at 75% gross margin.”

Reliq Health

Reliq Health Technologies is a rapidly growing global healthcare technology company that specializes in developing innovative Virtual Care solutions for the multi-billion dollar Healthcare market. Reliq’s powerful iUGO Care platform supports care coordination and community-based virtual healthcare. iUGO Care allows complex patients to receive high quality care at home, improving health outcomes, enhancing quality of life for patients and families and reducing the cost of care delivery. iUGO Care provides real-time access to remote patient monitoring data, allowing for timely interventions by the care team to prevent costly hospital readmissions and ER visits. Reliq Health Technologies trades on the TSX Venture under the symbol RHT, on the OTC as RQHTF and on the Frankfurt Stock Exchange under the WKN: A2AJTB.
