

## **Reliq Health Technologies, Inc. Announces Go Live with Three New Physician Practices in Texas**

HAMILTON, Ontario, June 11, 2019 — **Reliq Health Technologies Inc. (TSXV:RHT or OTCQB:RQHTF)** (“**Reliq**” or the “**Company**”), a technology company focused on developing innovative mobile health (mHealth) and telemedicine solutions for Community-Based Healthcare, today announced that it has begun onboarding new patients with three new physician practices in Texas.

“We are very pleased to announce that we have added three new physician practices to our client base in Texas,” said Dr. Lisa Crossley, CEO of Reliq Health Technologies, Inc. “All three practices are in Laredo, TX, expanding Reliq’s footprint in Texas beyond the Rio Grand Valley. Together these clients are expected to add over 6,000 billable patients to Reliq’s iUGO Care platform. In addition, our existing clients have confirmed that they have successfully billed and collected reimbursement from Medicaid this quarter, demonstrating that our new eligibility screening tools are effective and that our services are covered by the updated CMS billing codes. The Company has also built a new Implementations team and expects to significantly increase the pace of onboarding over the next quarter.”

Reliq Health Technologies is a healthcare technology company that specializes in developing innovative software solutions for the Community Care market. Reliq’s powerful iUGO Care platform supports care coordination and community-based healthcare. The iUGO Care platform integrates wearables, sensors, voice technology and intuitive mobile apps and desktop user interfaces for patients, clinicians and healthcare administrators. iUGO Care allows complex patients to receive high quality care at home, improving health outcomes, enhancing quality of life for patients and families and reducing the cost of care delivery. iUGO Care provides real-time access to remote patient monitoring data, allowing for timely interventions by the care team to prevent costly hospital readmissions and ER visits. Reliq Health Technologies trades on the TSX Venture under the symbol RHT and on the OTCQB as RQHTF.
