

## **Reliq Health Technologies, Inc. Announces New Contract with Comprehensive Partners, LLC. Florida to Provide its iUGO Care RPM and CCM Solutions to over 25,000 patients**

HAMILTON, Ontario, Feb. 21, 2020 — **Reliq Health Technologies Inc. (TSXV:RHT or OTCQB:RQHTF)** (“**Reliq**” or the “**Company**”), a technology company focused on developing innovative mobile health (mHealth) and telemedicine solutions for Community-Based Healthcare, today announced that it has signed a contract with Comprehensive Partners (FL) to provide the iUGO Care Remote Patient Monitoring (RPM) and Chronic Care Management (CCM) platform to over 25,000 eligible Medicare patients.

“We are thrilled to be working with Comprehensive Partners to bring our iUGO Care Remote Patient Monitoring (RPM) and Chronic Care Management (CCM) platform to their more than 25,000 chronic condition patients throughout Florida,” said Dr. Lisa Crossley, CEO of Reliq Health Technologies, Inc. “The Comprehensive ownership team is well respected throughout the state of Florida and have been providing health care services to thousands of patients there for the past 40 years. We look forward to helping them build on their track record of innovation to improve the health outcomes of the patient in their home. We are also very pleased to be working with our telemedicine and integration partner, Blum Telehealth on this account. Our partnership with Blum Telehealth has expanded our capacity to integrate with multiple clinical information systems, and has led to significant new business opportunities for both companies. The contract with Comprehensive Partners is the first product of what we expect to be a long and fruitful collaboration with Blum.”

“Comprehensive Partners is very pleased to be able to leverage the new coverage the Centers for Medicaid & Medicare Services (CMS) introduced for Medicare patients this year to provide Remote Patient Monitoring and Chronic Care Management to our partner physicians and our patients,” said Denise Bellville RN, COS-C, President of Comprehensive Partners. “We know that proactive management of patients’ chronic conditions in the community setting can reduce ER visits and hospitalizations, decrease health care costs and improve quality of life for patients and their families. We believe that providing the iUGO Care platform to our clients supports our commitment to delivering the best possible care to patients in the home.”

“We selected Reliq as our RPM/CCM partner after a comprehensive international search for the best in class RPM/CCM platform,” said Steve Clark, CEO of Blum Telehealth. “Blum provides telehealth solutions to thousands of healthcare stakeholders and we are pleased to be able to offer Reliq’s iUGO Care solutions to our clients. At Blum we are committed to reducing health care costs and improving health care for patients and communities.”
