

## **Reliq Health Technologies, Inc. Announces New Contract with Maxlink Health to Provide its iUGO Care Platform to over 10,000 New Patients in North Texas**

HAMILTON, Ontario, Aug. 20, 2020 — **Reliq Health Technologies Inc. (TSXV:RHT or OTCQB:RQHTF)** (“**Reliq**” or the “**Company**”), a technology company focused on developing innovative mobile health (mHealth) and telemedicine solutions for Community-Based Healthcare, today announced that it has signed a contract with Maxlink Health to provide iUGO Care Remote Patient Monitoring (RPM), Chronic Care Management (CCM), Behavioral Health Integration (BHI) and Principle Care Management (PCM) to over 10,000 eligible Medicare patients in North Texas.

“We are very pleased to be working with Maxlink Health to bring our iUGO Care platform to over 10,000 eligible Medicare patients in North Texas, including the highly populated Dallas-Fort Worth area,” said Dr. Lisa Crossley, CEO of Reliq Health Technologies, Inc. “Maxlink works with physician practices and insurance providers to reduce readmissions, increase patient satisfaction and improve outcomes, and Reliq’s iUGO Care platform has been proven to successfully improve all of these metrics. Maxlink’s existing contracts in North Texas will allow us to rapidly expand into this new geography. We have already shipped biometric monitoring devices and begun onboarding patients for Maxlink’s clients.”

“We are excited to partner with Reliq Health Technologies to bring their iUGO Care platform to Maxlink Health’s physician and insurance provider clients. We chose to partner with Reliq not only for their best-in-class software solutions but for their knowledge and expertise in this new and growing health care segment,” said Maxlink Health’s CEO Sujata Kumaraswamy, RN, MBA. “Using the iUGO Care technology enables us to provide high quality care management to more patients, allowing us to scale our business and expand the suite of services we offer to our clients.”
