

Reliq Health Technologies, Inc. Announces Six New Contracts in Texas

HAMILTON, Ontario, Aug. 23, 2019 — **Reliq Health Technologies Inc. (TSXV:RHT or OTCQB:RQHTF)** (“**Reliq**” or the “**Company**”), a technology company focused on developing innovative mobile health (mHealth) and telemedicine solutions for Community-Based Healthcare, today announced that it has signed contracts with six new clients in Texas.

“We are pleased to announce that Reliq is continuing to add new clients in Texas, and at an accelerating pace,” said Dr. Lisa Crossley, CEO of Reliq Health Technologies, Inc. “The Company signed six new contracts this week with a mix of clients including Physician Practices, Home Health Agencies and Adult Medical Day Care Organizations. All six new clients will go live this month. Our Implementations team in Texas has been busy onboarding new patients in Hidalgo County, Laredo, Dallas and Houston. It is particularly gratifying to see such rapid uptake of our new Adult Medical Day Care solution, which we just launched in July. We are very excited about the continued expansion of our client and patient base into new communities across the state of Texas. With our existing contracts and a solid pipeline of new clients throughout the US and beyond, the Company remains on track to achieve cash flow positive in Q4 of this calendar year.”

Reliq Health Technologies is a healthcare technology company that specializes in developing innovative software solutions for the Community Care market. Reliq’s powerful iUGO Care platform supports care coordination and community-based healthcare. The iUGO Care platform integrates wearables, sensors, voice technology and intuitive mobile apps and desktop user interfaces for patients, clinicians and healthcare administrators. iUGO Care allows complex patients to receive high quality care at home, improving health outcomes, enhancing quality of life for patients and families and reducing the cost of care delivery. iUGO Care provides real-time access to remote patient monitoring data, allowing for timely interventions by the care team to prevent costly hospital readmissions and ER visits. Reliq Health Technologies trades on the TSX Venture under the symbol RHT and on the OTCQB as RQHTF.
