The 2020 TSX Venture 50 is a ranking of the top performers on the TSX Venture Exchange over the last year. The ranking is comprised of 10 companies from each of the five industry sectors, selected based on three equally weighted criteria which are market capitalization growth, share price appreciation, and trading volume amount.

“It is truly an honour to receive this recognition from the TSX Venture Exchange,” said Dr. Lisa Crossley, CEO of Reliq Health Technologies, Inc. “We look forward to building on our success to date and continuing to deliver significant value for our shareholders.”

Reliq Health Technologies is a healthcare technology company that specializes in developing innovative software solutions for the Community Care market. Reliq’s powerful iUGO Care platform supports care coordination and community-based healthcare. iUGO Care allows complex patients to receive high quality care at home, improving health outcomes, enhancing quality of life for patients and families and reducing the cost of care delivery. iUGO Care provides real-time access to remote patient monitoring data, allowing for timely interventions by the care team to prevent costly hospital readmissions and ER visits. Reliq Health Technologies trades on the TSX Venture under the symbol RHT and on the OTCQB as RQHTF.
