

Reliq Health Technologies, Inc. Partners with Data Soft Logic to Add over 50,000 New Patients per Year to Reliq's iUGO Care Platform

HAMILTON, Ontario, Jan. 24, 2022 — **Reliq Health Technologies Inc. (TSXV:RHT or OTC:RQHTF or WKN:A2AJTB)** (“**Reliq**” or the “**Company**”), a rapidly growing global healthcare technology company that develops innovative Virtual Care solutions for the multi-billion dollar Healthcare market, today announced an agreement with Data Soft Logic (DSL) to provide iUGO Care to their existing and new clients. The Data Soft Logic platform is a cloud-based home health and hospice care solution that provides a suite of applications including point of care, billing, scheduling, accounting and human resources. The platform is used currently used by over 600 home health and hospice care agencies across the United States. Data Soft Logic's home health and hospice clients work with over 1,000 primary care physicians who provide care to over 500,000 Medicare and Medicaid patients.

“We are thrilled to be working with Data Soft Logic on this highly synergistic partnership,” said Dr. Lisa Crossley, CEO of Reliq Health Technologies, Inc. “Reliq will be providing our iUGO Care remote patient monitoring (RPM), remote therapeutic monitoring (RTM), chronic care management (CCM), behavioral health integration (BHI) and transitional care management (TCM) software and services to Data Soft Logic's home health agency and hospice provider clients throughout the United States. Reliq's own home health and hospice clients will benefit from having the option of fully integrated access to Data Soft Logic's exceptional, comprehensive practice management platform. Through this partnership, Reliq expects to begin onboarding patients in Q2 2022 and to ramp up to adding over 50,000 new patients per year to our platform in 2023, at an estimated revenue of \$60 per patient per month.”
