

Scientific Industries Announces Medical Industry Veteran as Chief Commercial Officer of Scientific Bioprocessing Inc.

BOHEMIA, NY / July 21, 2020 / Scientific Industries, Inc. (OTCQB:SCND) announced the appointment of James Buchanan Polk as Chief Commercial Officer of its Scientific Bioprocessing (“SBI”) business.

Ms. Helena Santos, CEO of Scientific Industries commented, “As we seek to grow SBI, we needed a strong sales leader. Bucky has the perfect background to help us connect to customers and develop sales channels and OEM accounts. We are excited to add him to our growing team.”

Mr. John Moore, Chairman of Scientific Industries and President of SBI stated “I have known Bucky for over thirty years and have watched him progress up the sales ranks and into leadership roles at Boston Scientific, Abbott Labs and Philips Spectranetics where he ultimately held the role of Vice President, Global Key Opinion Leader Engagement. His skill set in market development, product introduction and working with key opinion leaders is ideal to help us build and lead a sales force to turn SBI into a global leader in sensors bioprocessing.”

Mr. Polk said, “I am excited to join SBI during this time of growth. It’s a unique opportunity to leverage my experience from the Medical Device world and apply it in a natural progression of my career.”
