About Scientific Industries, Inc.

Scientific Bioprocessing, Inc. ("SBI") is dedicated to pioneering digitally simplified bioprocessing by providing actionable insights from lab to production floor. With a broad portfolio of state-of-the-art bioprocess sensors and actuators as well as innovative data analytics software, SBI helps scientists and engineers in bioprocessing to monitor and control critical process parameters and product quality attributes. SBI is a subsidiary of Scientific Industries Inc. (SCND-OTCQB) To learn more, visit www.scientificbio.com.

About Scientific Bioprocessing, Inc.

SBI offers solutions for digitally simplified bioprocessing in the life science industry. SBI's DOTS Platform turns the standard shake flask into a smart mini bioreactor by providing modern bioprocessing sensors (for e.g., continuous monitoring of biomass, dissolved oxygen, and fluorescence) and control options (as e.g., automated, parameter-based feeding) along with an innovative software for easy sensor control and data monitoring. SBI is committed to delivering exceptional customer service and is a subsidiary of Scientific Industries Inc. To learn more, visit www.scientificbio.com.

Safe Harbor Statement

Statements made in this press release that relate to future events, performance or financial results of the Company are forward-looking statements which involve uncertainties that could

cause actual events, performance or results to materially differ. The Company undertakes no obligation to update any of these statements. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as to the date hereof. Accordingly, any forward-looking statement should be read in conjunction with the additional information about risks and uncertainties set forth in the Company's Securities and Exchange Commission reports, including our annual report on Form 10-K.
