PHOENIX, Feb. 4, 2020 — SenesTech, Inc. (NASDAQ: SNES), announced today that it will effect a 1-for-20 reverse stock split, previously approved by the Company's Board of Directors pursuant to the authority granted by the Company's stockholders at a special meeting held on January 31, 2020. The 1-for-20 reverse stock split will be effective as of 4:01 p.m. Eastern Time on February 4, 2020, and the Company's common stock will begin trading on a split-adjusted basis on Wednesday, February 5, 2020. The new CUSIP number for the Company's common stock following the reverse stock split is 81720R 208.

Upon the effectiveness of the reverse stock split, every twenty shares of the Company's issued and outstanding common stock will be automatically combined and converted into one issued and outstanding share of common stock. No fractional shares will be issued; the Company will round up any fractional share resulting from the reverse stock split to the nearest whole share.

The Company's transfer agent, Transfer Online, Inc., is the exchange agent for the reverse stock split and will correspond with stockholders of record regarding the reverse stock split. Stockholders owning shares via a broker or other nominee will have their positions automatically adjusted to reflect the reverse stock split.
