

Smart Sand, Inc. Announces Timing of Second Quarter 2019 Earnings Release and Investor Conference Call

THE WOODLANDS, Texas, July 16, 2019 (GLOBE NEWSWIRE) — Smart Sand, Inc. (NASDAQ: SND) (the “Company”) announced today that it will release its second quarter 2019 financial results before the market opens on Wednesday, August 7, 2019. Following the release, the Company will hold a conference call for investors on Wednesday, August 7, 2019 at 10:00 a.m. Eastern Time to discuss the results. Chuck Young, the Company’s chief executive officer, Lee Beckelman, the Company’s chief financial officer, and John Young, the Company’s chief operating officer, will host the call.

Investors are invited to listen to a live webcast of the conference call by visiting the “Investors” section of the Company’s website at www.smartsand.com. The webcast will be archived for one year following the date of the call. The call can also be accessed live over the telephone by dialing (888) 799-5165 or for international callers, (478) 219-0056. The conference ID for the call is 1070927. A replay will be available shortly after the call and can be accessed by dialing (855) 859-2056 or for international callers, (404) 537-3406. The conference ID for the replay is 1070927. The replay will be available through September 6, 2019.

About Smart Sand:

Smart Sand is a fully integrated frac sand supply and services company, offering complete mine to wellsite solutions to our customers. We produce low-cost, high quality Northern White frac sand and offer proppant logistics solutions to our customers through our in-basin transloading terminal and wellsite storage capabilities. We sell our products and services primarily to oil and natural gas exploration and production companies and oilfield service companies. We own and operate a frac sand mine and related processing facility near Oakdale, Wisconsin, at which we have approximately 317 million tons of proven recoverable sand reserves and approximately 5.5 million tons of annual nameplate processing capacity. For more information, please visit www.smartsand.com.
