

SOBRsafe to Present at the Aegis Capital Virtual Conference

DENVER, CO / April 27, 2023 / SOBR Safe, Inc. (Nasdaq:SOBR) (SOBRsafe™ or the Company), providers of next-generation transdermal alcohol detection solutions, today announced that the Company will be presenting at the Aegis Capital Virtual Conference on **May 2, 2023**. SOBRsafe Chairman & CEO Dave Gandini will present at **2:30pm ET**.

To view the virtual presentation, **click here**.

A New Era of Alcohol Safety and Support

SOBRsafe's advanced safety management technology SOBRcheck™ hygienically detects and instantaneously reports the presence of alcohol as emitted through the pores of a fingertip - no breath, blood or urine sample is required, just the touch of a finger. SOBRcheck was awarded the *Occupational Health & Safety 2022* New Product of the Year - Safety Monitoring Devices, and has received the Child Safety Network Safe Family Seal of Approval.

About SOBRsafe™

The annual cost of alcohol abuse in the U.S. is **\$249 billion**. Nearly half of all industrial accidents with injuries are alcohol-related, and 1-in-10 U.S. commercial drivers test positive for alcohol (the highest rate worldwide). In response, Denver-based SOBRsafe™ has developed a proprietary, touch-based identity verification, alcohol detection and cloud-based reporting system. The technology is transferable across innumerable form factors, including stationary access control, personal wearables and for telematics integration.

A preventative solution in historically reactive industries, it is being deployed for commercial fleets, workplaces and alcohol rehabilitation; other intended applications include probation management and young drivers. This patent-pending alcohol detection solution helps prevent an intoxicated worker from taking the factory floor or a driver from receiving the keys to a truck, bus or rideshare vehicle. An offender is immediately flagged, and an administrator is empowered to take the appropriate corrective actions. At SOBRsafe, we are **creating a culture of prevention**. Safe Harbor Statement

Our prospects here at SOBRsafe are subject to uncertainties and risks. This press release contains forward-looking statements that involve substantial uncertainties and risks. These forward-looking statements are based upon our current expectations, estimates and

projections about our business, and reflect our beliefs and assumptions based upon information available to us at the date of this press release. In some cases, you can identify these statements by words such as “if,” “may,” “might,” “will,” “should,” “expects,” “plans,” “anticipates,” “believes,” “estimates,” “predicts,” “potential,” “continue,” and other similar terms. These forward-looking statements include, among other things, plans for proposed operations, descriptions of our strategies, our product and market development plans, and other objectives, expectations and intentions, the trends we anticipate in our business and the markets in which we operate, and the competitive nature and anticipated growth of those markets. We caution readers that forward-looking statements are predictions based on our current expectations about future events. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties and assumptions that are difficult to predict. Our actual results, performance or achievements could differ materially from those expressed or implied by the forward-looking statements as a result of a number of factors including, but not limited to, the risks and uncertainties discussed under risk factors in our registration statement on Form S-1, as amended (File No. 333-267882) as well as our other filings with the SEC. We undertake no obligation to revise or update any forward-looking statement for any reason.
