

Syra Health Announces the Launch of CarePlus, the Company's Electronic Medical Record System

CARMEL, Ind., Oct. 19, 2023 — Syra Health Corp. (NASDAQ: SYRA) ("Syra Health" or the "Company"), a healthcare company with a mission to improve healthcare by providing innovative services and technology solutions, announced today the launch of CarePlus, its own Electronic Medical Record (EMR) system designed specifically for small to mid-sized healthcare organizations.

CarePlus is an easy-to-use, secure, and scalable platform that allows for streamlining clinical workflows and integrating telehealth.

"We listened to what healthcare providers were telling us they wanted in their EMR system," said Sandeep Allam, Executive Chairman, President, and Digital Health Leader, Syra Health. "We are proud to offer CarePlus, our affordable solution that can be further customized to fit each organization's individual needs."

Another unique feature of CarePlus is its ability to interact with labs, radiology systems, and other EMRs, eliminating interoperability issues.

"Our Syra Health developers have created CarePlus that solves a common complaint heard across the healthcare industry about EMR Systems," said Dr. Deepika Vuppalanchi, CEO, Syra Health. "They haven't been able to talk to one another seamlessly until now."
