SAFE HARBOR STATEMENT

Statements in this press release about future expectations, plans, and prospects, as well as any other statements regarding matters that are not historical facts, may constitute “forward-looking statements.” These statements include, but are not limited to, statements relating to the expected use of proceeds, the Company’s operations and business strategy

and the Company's expected financial results. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intend," "may," "plan," "potential," "predict," "project," "should," "target," "will," "would" and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. The forward-looking statements contained in this press release are based on management's current expectations and are subject to substantial risks, uncertainty and changes in circumstances. Actual results may differ materially from those indicated by such forward-looking statements as a result of various important factors discussed in the "Risk Factors" section of the prospectus filed with the SEC. Any forward-looking statements contained in this press release speak only as of the date hereof, and, except as required by federal securities laws, the Company specifically disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events, or otherwise.
