

## **Zoomd Technologies Continues to Attract and Retain World Class Clients**

VANCOUVER, BC, Aug. 5, 2021 — Zoomd Technologies Ltd. (TSXV: ZOMD) (OTC: ZMDTF) and its wholly-owned subsidiary Zoomd Ltd. (collectively, “**Zoomd**” or the “**Company**”), the marketing tech (MarTech) user-acquisition and engagement platform, is pleased to announce that it has been successful in recruiting a multitude of strong growth clients.

Over the past year, Zoomd has been focused on acquiring customers in emerging growth industries bolstered by COVID-19, such as gaming, FinTech, and Ecommerce. Zoomd has been successful in providing its new clients increased channels of distribution for their apps, ultimately driving user acquisition. Zoomd’s user acquisition platform has been integral in enabling these clients to manage their multiple campaigns on a single system, allowing for greater efficiency and real-time control. Zoomd’s data abilities enables its customers to grow greatly with limited additional resources.

A few examples of new clients include Sony Entertainment, Globo Group, Crypto.com and Getir.

“We are excited about new and expanding engagement with our partners, which we view as a testament to the effectiveness of our award-winning user acquisition abilities,” said Zoomd CEO Ofer Eitan, adding: “Our engagement with our partners is a good example of growing, providing them high returns on their investment. In addition, this demonstrates our ability to

provide incremental value-added services to a single customer, a key component in our acquisition strategy. We are increasing presence in the strong and growing sectors and proud to showcase these achievements.”

## **About ZOOMD**

Zoomd (TSXV: ZOMD) (OTC: ZMDTF), founded in 2012 and began trading on the TSX Venture Exchange in September 2019, offers a site search engine to publishers, and a mobile app user-acquisition platform, integrated with a majority of global digital media, to advertisers. The platform unifies more than 600 media sources into one unified dashboard. Offering advertisers, a user acquisition control center for managing all new customer acquisition campaigns using a single platform. By unifying all these media sources onto a single platform, Zoomd saves advertisers significant resources that would otherwise be spent consolidating data sources, thereby maximizing data collection and data insights while minimizing the resources spent on the exercise. Further, Zoomd is a performance-based platform that allows advertisers to advertise to the relevant target audiences using a key performance indicator-algorithm that is focused on achieving the advertisers’ goals and targets.
