About Zoomd:

Zoomd (TSXV: ZOMD, OTC: ZMDTF), established in 2012 and listed on the TSX Venture Exchange since September 2019, provides an innovative mobile app user-acquisition platform that integrates with numerous global digital media outlets. This platform presents a unified view of multiple media sources, thereby serving as a comprehensive user acquisition control center for advertisers. It streamlines campaign management through a single point of contact, simplifying customer acquisition efforts. The consolidation of media sources onto one platform enables Zoomd

to offer advertisers substantial savings by reducing the need for disparate data source integration, enhancing data collection and insights, and minimizing resource expenditure.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Exchange) accepts responsibility for the adequacy or accuracy of this release.
